Good Sportsmanship

We received a great note from one of our opposition coaches last weekend complimenting the good sportsmanship shown by one of our junior teams.

'I just wanted to say that despite losing what a good bunch of boys you have. Very respectful and fair. After the game your players went out of their way to congratulate and give a 'well played' to our boys, I was very impressed. Keep up the good work.'

It is great to receive this feedback, and good to see Marby teams playing the game in the right spirit, and being gracious in victory and defeat.

Playing in 2016?

Believe it or not we only have one week remaining of season 2015.

In Preparation for season 2016 we are updating our list of players and email contact for next season. We are close to capacity in some of our junior age groups so we want to give all current members a chance to express their interest for season 2016.

If you intend to play next season can you go to the following link and complete the details listed as best as possible: <http://www.marby-lions.com/eoiregistration.shtml>

MATCH REPORTS - SENIORS

Last Saturday Seniors ventured out to Greenvale on what was promising to be an ordinary day weather wise. This included our U18 Div2 side playing Greenvale's second U18 team on their second oval. While there was no rain early, the ground was quite wet in patches and everyone knew we were going to be in for a tough day.

U18 Premier started well, Greenvale who are undefeated this season kicked with the wind in the first quarter and the boys did well to hold them to four goals for the quarter. At quarter time the boys were quite down on themselves but the coaching staff were positive about the quarter and looking forward to the second when we would have the breeze. Unfortunately this proved to be the decisive quarter as Greenvale would kick six goals into the breeze to our three with it. Eight goals down at half time, and this was pretty much the margin at the end of the game, as Greenvale had a four goal to one third quarter, and on a positive note the Marby boys were able to turn this around in the last to outscore Greenvale four goals to one. Good sides take advantage of every mistake you make and Greenvale certainly did this.

Reserve grade had another tough game against a top side. There were some good passages of play but they broke down going into the forward line and Greenvale generally scored from each turnover or mistake. A downpour during the second quarter didn't help as the ball became very slippery and hard to handle and scoring was tough. The boys battled it out. We also had a few U18s help out and they all did well.

The senior was two totally different halves. Right from the start our boys were very disciplined, not letting their opponents have time or space to set up play and creating numerous turnovers and scoring opportunities. Unfortunately we couldn't convert any of those into goals and at quarter time we were down by a goal, 1.5.11 to 0.5.5. The second quarter was a repeat of the first but Marby stepped up another level and generally led their opponents to the ball and we were able to score three goals to one to lead by 7 points at half time. The half time break proved the game changer. Whatever was said to the Greenvale team spurred them into action. With the ground drying out their midfield started to win some clear ball and their tall players marked everything in sight and the result was a nine goal quarter, putting the game way out reach. Robbie asked for a big effort at three quarter time but as hard as our boys tried, the taller, stronger, and much more experience Greenvale team had an answer. The result a fifteen goal to one half and a loss by 84 points. Again this shows that our young group are very capable but have plenty to work on against the better teams who make the most of every opportunity. Now for a week off for the split round and facing the unbeaten Aberfeldie at home on July 25.

On a positive note the U18 Div2 had a really strong win against Greenvale so the day wasn't a complete washout. After a slow start they restricted Greenvale to two goals after quarter time while we kicked ten goals and 20 behinds in the last three quarters. A fifty point win could have been bigger but for some wayward kicking for goal. They have now won four games and meet Aberfeldie at Aberfeldie this Saturday at 9.30am.

With no other Marby seniors playing this week it would be great to see some supporters pop into Abers to give them some support.

MATCH REPORTS - SENIORS

Under 10 Div 4 Marby V Aberfeldie

We started well in the first quarter with nearly all play being in our half. Johnny roved the pack well and was in the middle of everything. Caleb had a great quarter getting lots of kicks out of the half back spot. Tommy O was solid in the back putting tackles in and moving the ball forward. Jackson had lots of touches in the midline and Sasha was important in moving the ball forward. The first quarter saw Marby controlling the game.

The second quarter opened with good pressure and the first goal kicked by Will after marking the ball at the top of the goal square. James and Johnny were in the bottom of most packs as were Harry and Sasha. Tom C and Tom O did some great tackles and accurate kicks. Abers were giving a better show in the second quarter but Marby was stopping everything. Ryder, Orlando and Cooper were great clearing the ball from the packs and Tom C blocked Abers only scoring opportunity. To finish a great quarter, James kicked thru the centre to Will who kickied it to Johnny who scored a goal on the siren.

In the third quarter Marby were still in control. Johnny, Orlando and Jackson did a great job moving the ball forward. Cooper and Tom O did some great smothers . Abers were trying hard but Orlando Cooper and Will were blocking them and helped by Corey and Tom O kept clearing the ball to our forward line. Caleb helped set up a goal that Johnny kicked on the run. Harry had a great quarter taking a lot of important marks followed by effective kicks.

The Fourth quarter saw Jesse taking a mark outside 50 and setting up our attack. Johnny hit the post and Tom C bombed a point. But they kept trying. The ball went out of the square and Johnny kicked a goal from 20 meters on an angle. Miles did a great passage of play but was unlucky kicking a behind. Cooper kicked a great goal with a snap over his shoulder,. Charlie also scored a great goal. the Fourth quarter ended in a solid win to Marby, 47 to 3.

Under 10 Div 6 Marby v Airport West

It was a cold Sunday morning, the forecast projected rain for the whole day. As it started to rain, the Marby Under 10 boys ran onto the Monk oval.

The whistle blew for the first quarter, and the Marby boys quickly gained possession of the ball. The ball was passed to Matt K, who was victorious in kicking a goal from the goal square. The rain continued to pour, and the Marby boys continued to gain possession for most of the quarter. A couple of behinds were kicked. Jamie H also kicked a goal.

In the second quarter, Airport West increased their defences. The ground became more slippery, and managing a grip on the football became difficult, which kept the quarter to a very low score. The Marby boys defended and tackled well. Airport West kicked one behind, it was the only point for the quarter.

The boys headed to the locker room for half time to escape the rain and refuel on oranges. Heading into the third quarter, the rain would not let up. As the Marby boys continued to try and kick goals, the ball managed five behinds. Eventually one of our boys managed to kick a goal.

In the last quarter, full of sugar and keen for victory, the boys kicked four goals. Will S marked the ball in the goal square, took his time and kicked the ball straight through the goal post. The Marby boys continued the pressure scoring 5 behinds and 3 more goals.

Congratulations Marby for a great win, especially in such difficult weather conditions, a well-played game. Good Luck in next week's game!

Match Reviewer, Dung Phan

MATCH REPORTS

Under 16s Marby v Glenroy

In last week's report I said it was the coldest match I had ever experienced, well that didn't last long. This week was by far the worst conditions it was 9 degrees and the heavy rain did not stop for one minute. The centre square was out of action before the game even started and the whole ground was a huge mud pool. A huge thank you to all the parents who volunteered in match day roles and got absolutely soaked so the boys could play, well done to them.

The game was more like the soccer world cup than AFL I reckon 75% of kicks were off the ground. Our boys played well against Glenroy in our last game against them but we lost it in the last half, we faded out. This game was very different from the first action of the game to the last kick our boys were tougher, stronger and more determined to win. This was demonstrated in every contest and every possession. Thomas scored a great snap goal out of a pack in the first quarter followed by a goal by Harry. With some other points kicked we were two goals up at quarter time.

The margin never got any closer for the rest of the game. Although it was a low scoring game the boys stopped Glenroy from scoring goals all day. This was due to great team work through out the ground by Thomas, Harry, Daniel and Kyle and particularly our great backline, Jack, Mitchell and Sam.

A tough game and a great win for our boys. Bring on the finals.

Rendina Real Estate's impact on Melbourne's real estate market is largely due to its driving ambition to be Australia's most customer-centric real estate company. According to its Founder and Chief Executive, Lou Rendina our aim is to "Change the face of Melbourne's real estate industry forever with the use of ground-breaking technology, the latest marketing tools and a passion for providing six-star service".

Lou Rendina has embraced technology and recognised the importance of strategically understanding the online market. The company's investment reinforces the Team Rendina vision to offer their 6-star service to Clients both online and offline. With a highly sophisticated and user-friendly website it is regarded by both international and domestic users as the most usable website in the property market.

Team Rendina strive to consistently deliver accountable results for its clients with total integrity and transparency. With vision, an unrelenting work ethic and outstanding results, it's little wonder Rendina has become one of Melbourne's most accomplished and highest-profile agency.
