Marby Update

While we are in our off-season there is still plenty happening around Marby and we thought it worth putting together a newsletter to let everyone know what is going on.

Annual General Meeting

On Sunday 25 October the club held its annual general meeting at The Waterloo Cup Hotel (our major sponsor); thanks to all of those who attended. The AGM is held annually to present the annual report, financial results, and to elect office bearers for the following year. The annual report was presented and a copy can be obtained by emailing: secretary@marby-lions.com

Annual General Meeting

Club Awards

During the afternoon a number of club awards were presented:

Representing the Parkinson family, Gerry Parkinson presented the **Brett Parkinson Award for best Junior Volunteer** to Theresa Munro.

Marby Youth Volunteer was awarded to Nathan Blackmore.

Best Club Person was awarded to Roman Stelmachiw.

There were a number on nominees for each award reflecting the high regard our volunteers are held in, and all three were worthy winners.

Life Membership

The committee also received a nomination for life membership of the club and after due consideration this was awarded to Stuart Donnelly, who is also current club president. Stu has been involved in the club for 13 years and these have been spent as a junior coach, volunteer, club sponsor, and for the preceding three years as club president. Life members Tanya and Wayne Taylor presented Stuart with his life membership.

As well as offering a full selection of Caltex Automotive Fuels, Caltex Ascot Vale offers a wide selection of everyday items, including groceries and personal care items - fresh bread and milk; StarCash gift cards; telecommunications pay vouchers(phone credit); automotive supplies; magazines and newspapers; great coffee; snacks and convenience food; ATM; BBQ gas bottles.

Community Lottery

The People's Choice Community Lottery was drawn on 20 October and the results posted on their website on 25 October. Unfortunately we did not sell any winning tickets again this year, but we did raise over \$4,5000 for the club through our participation. Thank you to everyone who bought (and sold) tickets and a big thanks to Nick Faustin and Brendon Johnson who helped coordinate the distribution and return of the books.

Club Development Training

Council, AFL, and other community groups such as Volunteer West are always running training and information workshops and courses that are generally designed around volunteering at clubs. Sports Community are running a series of workshops (see attached flyer) that are free to attend and are great for those of you thinking about helping out at the club.

We will endeavour to keep you updated on other workshops and courses, such as RSA (Responsible Serving of Alcohol) as they are advised.

Union Road Christmas BBQ

The Union Road Traders Christmas shopping day is on again this year, we will be running the famous Marby Barby again this year, we are just waiting on the final date to be announced. We will be looking for some volunteers to help out on the day, it is a great way to earn a few \$ for the club and get into the local community. At this stage it will be either Saturday 5 or 12 December, will let everyone know when it has been confirmed.

Centrally located on Maribyrnong Road just a stone's throw from Flemington Racecourse, The Waterloo Cup Hotel combines the lively atmosphere of our bar with the cosiness and warmth of the bistro, along with a convenient drive-through bottleshop.

The venue's charming and quaint façade belies the modern touches and well-appointed interior spaces, coupled with friendly service and a good variety of quality food and wine. The venue boasts a huge private function room for parties and events. Experienced staff ensure the easy organisation and smooth operation of functions of all types.

Facilities Update

As everyone would be aware there are a number of projects we would love to see happen around the club and the greater Maribyrnong Park precinct. In no particular order and to name a few they are 4th change room, rebuild/upgrade of timekeepers box, new goal posts, ground repairs and maintenance, new scoreboard, pavilion kitchen upgrade.

While we are hoping for at least one of the major items, the timekeepers box rebuild, to happen in the not too distant future there are a couple of projects currently happening which will be welcomed.

Ground watering: you may see signs up about the water being used on the ovals. Council has the pipeline from Afton Street working and recycled water is being used on the ovals. Hopefully this will help get the grounds in great shape for cricket over the summer and football in the winter. For more information about the system, visit <http://mvcc.vic.gov.au/about-the-council/environment/creating-green-spaces-for-our-community.aspx>

We have also been advised that there is funding in council budget for an electronic scoreboard. Tenders have just been advertised (see picture from Saturday's Age) and we hope to see this in action for the 2016 season.

There are also plans to install solar panels on the roof of the pavilion to help with our green footprint and reduce our power bills. There are few things to be signed off with council before this happens, but again we are hoping for this to be in place before the 2016 season. Electricity is one of our bigger expenses and while winter is probably not the best time for solar power there will still be a considerable saving in our bills, plus it will be great for the cricket club during the summer to offset those air conditioning bills.

We will continue to work with council on upgrading our facilities so they continue represent the premier location that we are in.
